Experience, integrity and commitment... for two generations

We helped two families achieve their dreams . . .

A new family has moved into the neighborhood at **10 Outlook Road**.

Although your former neighbors have moved, we wish them well as they embark on a new phase in their lives. This is an exciting time for both the buyer and the seller!

Christopher J. Barrett Realtors successfully accommodated and met the needs of the sellers of the property . . . we'd like to do the same for you! If you are thinking of selling your home in the future, I would be happy to meet with you and give you a FREE market analysis.

I hope to talk to you soon!
